

Total Teaching

Raising the achievement of vulnerable groups

Contents

1. **Setting the Scene** 3
Issue 1: How do we create a classroom climate which raises the achievement of vulnerable students?
2. **Total Teaching and Classroom Action** 19
3. **Identifying Learning Needs** 31
Issue 2: How can I identify and meet the specific learning needs of students who are not making progress but do not have labels or support?
4. **Working Memory** 51
Issue 3: My students cannot seem to remember from one moment to the next!
5. **Tracking Progress** 67
Issue 4: How do I keep track of quick thinking, slow delivering students in a busy classroom?
6. **Total Teaching for Self-Directed Learning** 83
7. **Confidence and Risk Taking** 91
Issue 5: My students lack confidence in their ability and will not take risks or stretch themselves.
8. **Decoding and Phonics** 101
Issue 6: My students have had years of phonics and still struggle to decode and encode despite abilities in other areas
9. **Comprehension Activities** 109
10. **Reluctant Writers** 123
11. **We need to talk about Gavin: a case study** 143
12. **Total Teaching: an international perspective** 153
