

Phase 1

Phonics Phase 1 Pack

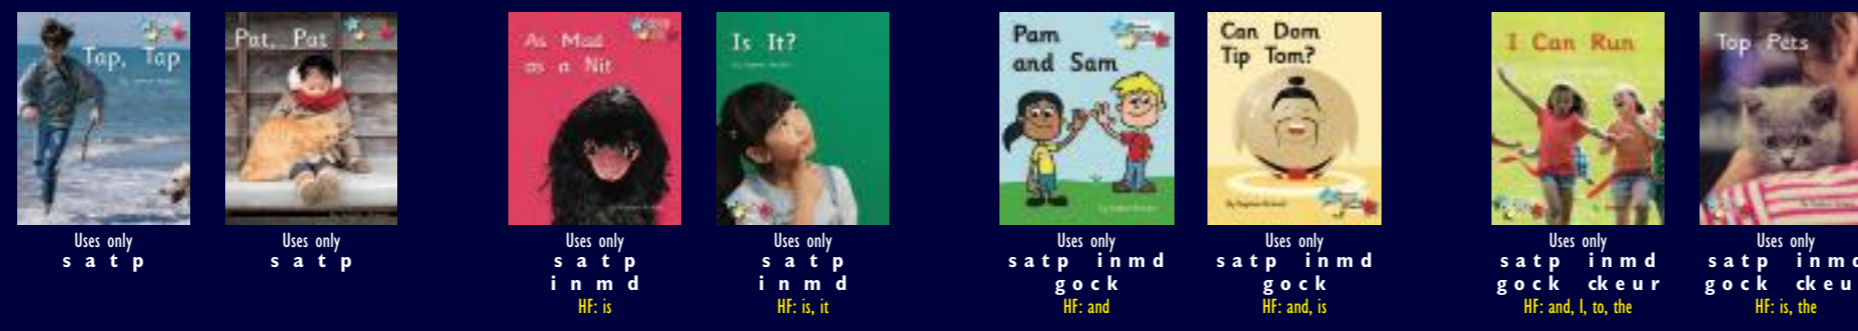

17 books without words.
Also banded as **Lilac** for book bands for guided reading.

Phase 2

Phonics Phase 2 Build Pack

The first two titles start with the first four letters that children learn. The six titles that follow gradually introduce new letters as the children progress.

Phonics Phase 2 All-In Pack

These seven titles use all the letters, sounds and high frequency words met in Letters and Sounds Phase 2.

Phonics Phase 2 Focus Pack

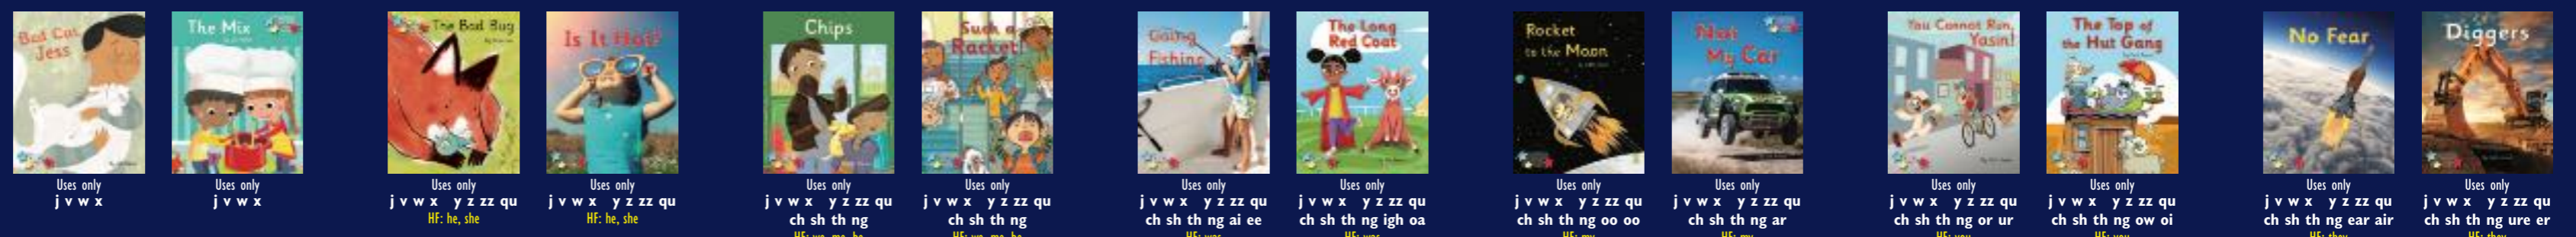

These nine titles use all the letters, sounds and high frequency words met in Letters and Sounds Phase 2, but each book focuses on some specific letters, sounds or high frequency words.

Phase 3

Phonics Phase 3 Build Pack

These 14 books gradually introduce the remaining eight letters, the four consonant digraphs (**ch, sh, th, ng**) and 14 vowel digraphs.

Phonics Phase 3 All-In Pack

These nine titles use all the letters, sounds and high frequency words met in Letters and Sounds Phase 3.

Phonics Phase 3 Focus Pack

These 16 titles use all the letters, sounds and high frequency words met in Letters and Sounds Phase 3, but each book focuses on some specific letters, sounds or high frequency words.

Phase 4

Phonics Phase 4 Blend Pack

Six books that introduce short, simple blends (**CVCC** and **CCVC** words) plus six new high frequency words.

Phonics Phase 4 Blend-Plus Pack

Six books that use **CVCC** and **CCVC** words and introduce some **CCVCC** words, plus four new high frequency words.

Phonics Phase 4 Blend-Max Pack

Ten books that use more complex **CVCC**, **CCVC** and **CCVCC** words – plus four new high frequency words.

Phase 5

Phonics Phase 5 Alt-Pack

The first four titles introduce the phoneme /zh/ and new graphemes for reading; the remaining three titles introduce alternative pronunciations of known graphemes.

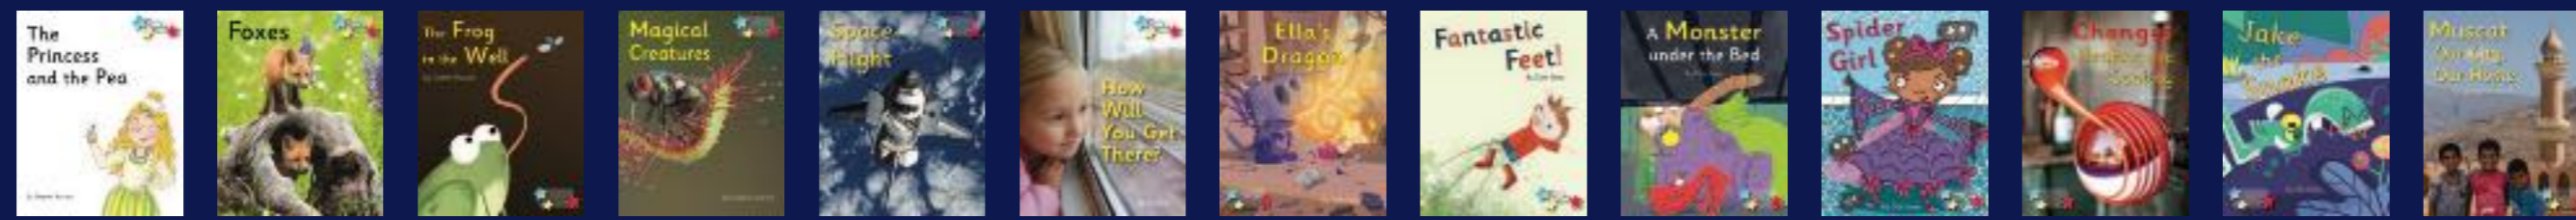

Phonics Phase 5 Spellings Pack

These 11 titles introduce alternative spellings for known phonemes.

Phonics Phase 5 All-In Pack

These 13 titles use all the letters, sounds and high frequency words met in Letters and Sounds Phase 5.

Alpha Stars

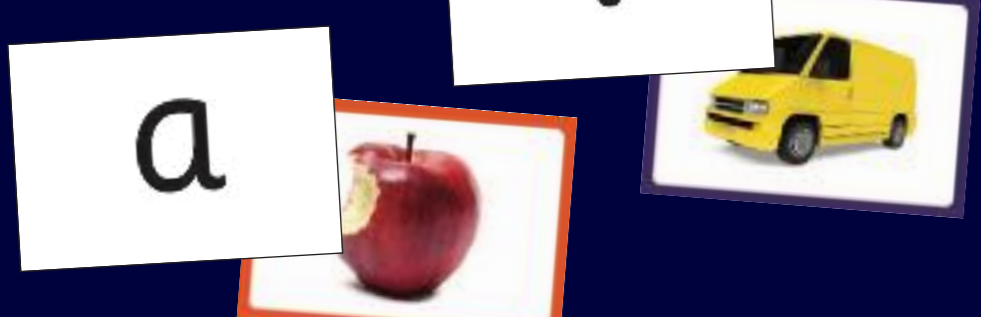

Alpha Stars Pack

These titles introduce the letters A to Z, plus the 23 additional letter sounds covered up to the end of Phase 3. Ideal for learning the names of the letters and how to write the letters.

Phonics Flashcards

49 A4-sized, double-sided laminated flashcards introducing the letters A to Z, plus the 23 additional letter sounds covered up to the end of Phase 3.

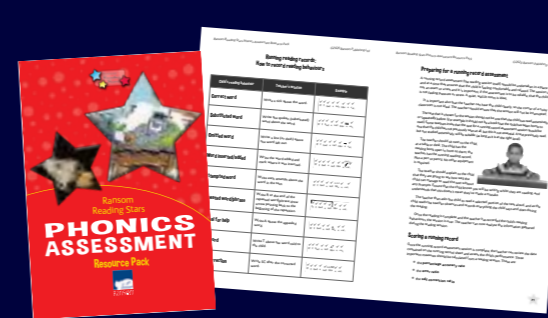

Phonics Teaching Resource Pack

Support and guidance for teachers. Includes a detailed photocopiable lesson plan for each Reading Stars Phonics reading book, to help teachers deliver structured literacy lessons.

Phonics Assessment Pack

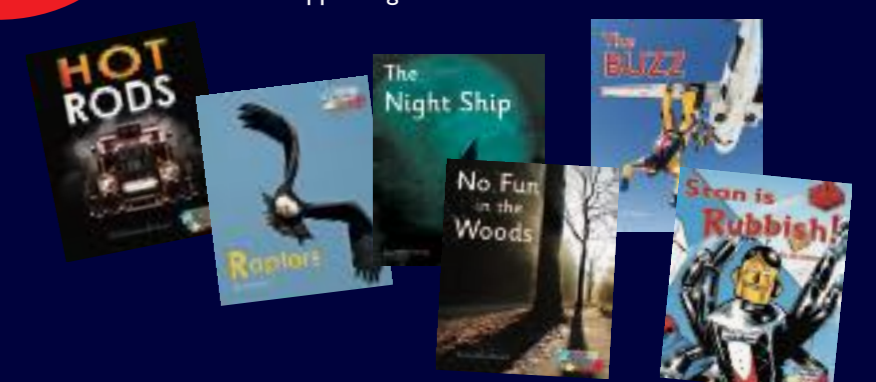

Includes phonics checklists for assessing reading progress, together with a running reading record for every Reading Stars Phonics reading book. Instructions/guidance notes included.

Also Available
