extension activities

- Read the phrases as prescribed on the directions card in the box for play. For fluency building, give child the deck, or a specific number of cards, and time the reading. Give the same number in subsequent 2 week periods to measure fluency growth.
- Have the student write the phrase to dictation.
- Use the phrase in an oral sentence.
- Use the phrase in a written sentence.
- Buy an additional deck, and use any number of phrase pairs in a memory/concentration game.
- Check out the student's sense of word boundaries. Teacher should read the phrase to the student and have the student count the number of words heard in each phrase.
