rag

This page can be photocopied onto card. Cut out these pictures for retelling the story or for students to make their own story. Picture cards are arranged in story order. Choose whether to number them on the back. Word cards can also be used to reinforce vocabulary.

## 4 in a row game

Play with 2 sets of coloured counters. 2 players take turns to read a word or sound and put a counter on it. Players can make 4-in-a-row horizontally, vertically and diagonally. The winner is the first to get 4 of his/her counters in a row. The winner places a counter on a hat. The game is played until all the hats are covered.
