

QUESTION 5

How would you have responded to the shark attacks?

- A** You became a scientist. You wanted to help people understand that sharks aren't dangerous. You wanted to learn more about shark behaviors.
- B** You became a lifeguard. You wanted to keep people safe. You were given a gun. You were given a **harpoon**. A harpoon is a weapon. It's a barbed spear attached to a rope. You were given a long fishing line baited with a dead lamb.
- C** You were a shark hunter. You had a boat. You had weapons. You used **chum**. Chum is fishing bait. You drew sharks in. Then, you killed them.

Sharks are important for maintaining the health of oceans.
