'S' CLUSTER REDUCTION CUE 1.

"Use your 's' helper
sound"

stuck sound

'S' CLUSTER REDUCTION CUE 2.

"Your 'w' sound is stuck, it needs its helper 's' sound"

Cue #1 Helper Sound vs. Stuck Sound

for 's' cluster reduction

(The cards are designed to join together to make a continuous picture.
You might remove a card if the child omits the sound.)

Suggested teaching: Sometimes, our sounds get stuck, and we need to remember to use our 's' helper sound so that what we say makes sense.

Our Helper Sound is 's'.

Our Stuck Sounds are 'k', 'l', 'm', 'n', 'p', 't', and 'w'.
