

CHAPTER ONE

One Special Horn

Unicorns are magical. They look like horses. They're white. Unicorns have a single horn. It's called an **alicorn**. This is the horn on a unicorn's head. It gives them power.

A spiral shape keeps the alicorn straight.

Have You

HEARD?

A Danish throne was made of “unicorn horns.” Queen Elizabeth I of England had a “unicorn horn.” But they were fakes. The horns were narwhal **tusks**. Tusks are teeth that are like horns. Narwhals are whales.
