

## Story 11

# Tracy and the Rabbit

After school every day, Tracy liked to watch the rabbit that played on the hill near her house. Whenever she walked near the rabbit, it would run away from her. Tracy wanted to become friends with the rabbit.

Yesterday morning Tracy went out looking for the rabbit. She took a carrot with her to give to the rabbit.

Tracy saw the rabbit right away and followed it into the woods. Then she took the carrot out of her pocket. The rabbit smelled the carrot and was very hungry.

Tracy walked toward the rabbit slowly. The rabbit hopped towards Tracy very cautiously and started to nibble on the carrot. Tracy told the rabbit that she would visit him every day and that she would always remember to bring a carrot.
