Jobs and Occupations

As soon as the driver stopped, Nicole jumped down out of the truck and grabbed her equipment. She attached the hose to the hydrant, then opened the valve.

1. What does Nicole do?
2. Who calls the fire department for help?
3. Where is Nicole?
4. Why did Nicole open the valve?
5. How do firefighters know where to go?
6. Would you like to drive a fire engine? Why or why not?

Time and Seasons

Ethan pushed the carrot in a couple of inches. "I'll call him Jingles," he said. Jingles would hang around for several weeks.

1. What season is it?
2. Who named the snowman?
3. Where does Ethan put the carrot?
4. Why will Jingles hang around for several weeks?
5. How do you build a snowman?
6. What do you like to do with snow?

Sarah added a few more strokes, then sat back to examine her work. She had captured the lighting perfectly! She was sure the colors would match her daughter's new furniture too.

1. What is Sarah doing?
2. Who will receive Sarah's painting?
3. Where will the painting be hung?
4. Why does Sarah want the colors to match her daughter's new furniture?
5. How did Sarah pick her colors?
6. What kind of hobbies do you enjoy?
