

One day in March, Nan said, "Hop in the car, Cat. It is parked on the path. We are off to a farm."

The wind began to blow and it began to rain. Toad ran to get his yellow coat and yellow umbrella.

Toad lived in an oak tree.
The oak tree was very old.
It was hollow in the middle.

"Bring a picnic from the house!"

Dan shouted down to Chen.

Mum gave Chen a round basket.

The rabbits took the scooters to the top of the hill. Frank's scooter flew past Alf's scooter.

Clair stamped her foot. "Now where is that 50p? I am such a careless fairy!" she said.
