

We have...

*Rules that say, "You can't eat in here!"
And rules for "Don't pick your nose!"
Rules for people who drive...
Why should I worry about those?*

Always use a booger ghost

**NO FOOD IN THE
COMPUTER ROOM**

No video games
are allowed at school.
That makes me mad!
I can't stand that rule!

NO 
VIDEO GAMES ON
SCHOOL PREMISES

Spit out your gum, Noodle,
at school, you can't chew it.

Show your steps on your
math assignment,
so I can see you've,
worked through it.

$$\begin{aligned}5(3+7) &= X \\(3+7 &= 10) \\5(10) &= X \\50 &= X\end{aligned}$$

Don't push. Don't shove.

Take turns in P.E.

Keep your eyes on your own paper.

Noodle, listen to me!

Be on time, don't be tardy.

And please always share.

Raise your hand, and be patient.

Don't lean back in your chair!

Rules really **STINK!**

That's all I can say.

It would be SO cool

to have a **Rule-Free Day!**
