

“My name is

BRADFORD **R**OBERT
AALEXANDER **D**DONELY...

That’s **BRAD** for short.

But I’m not short! I’m the tallest kid in my class. In fact, I’m probably the tallest kid in my whole school. I bet if you lined up all of the kids on the planet that were my age, I’d be close to the tallest. Since I’m so tall, I probably will end up playing professional basketball when I grow up.”

“Yeah, Right!”

“Hey, Brad! Look! We got a new van last night!
It **can** hold seven people, and it even has a TV!”

“WELL, I CAN TOP That...”

We bought a brand new van last week. It **can** hold 17
people. It has a TV, a GPS, and a J-O-B!”

“What’s a J-O-B?”

“Jacuzzi-on-Board!”

“Yeah right, Braaaaag...”

“It’s Brad!”

“Last night, I fell out of a tree and broke my arm.”

“WELL, I CAN TOP That...”

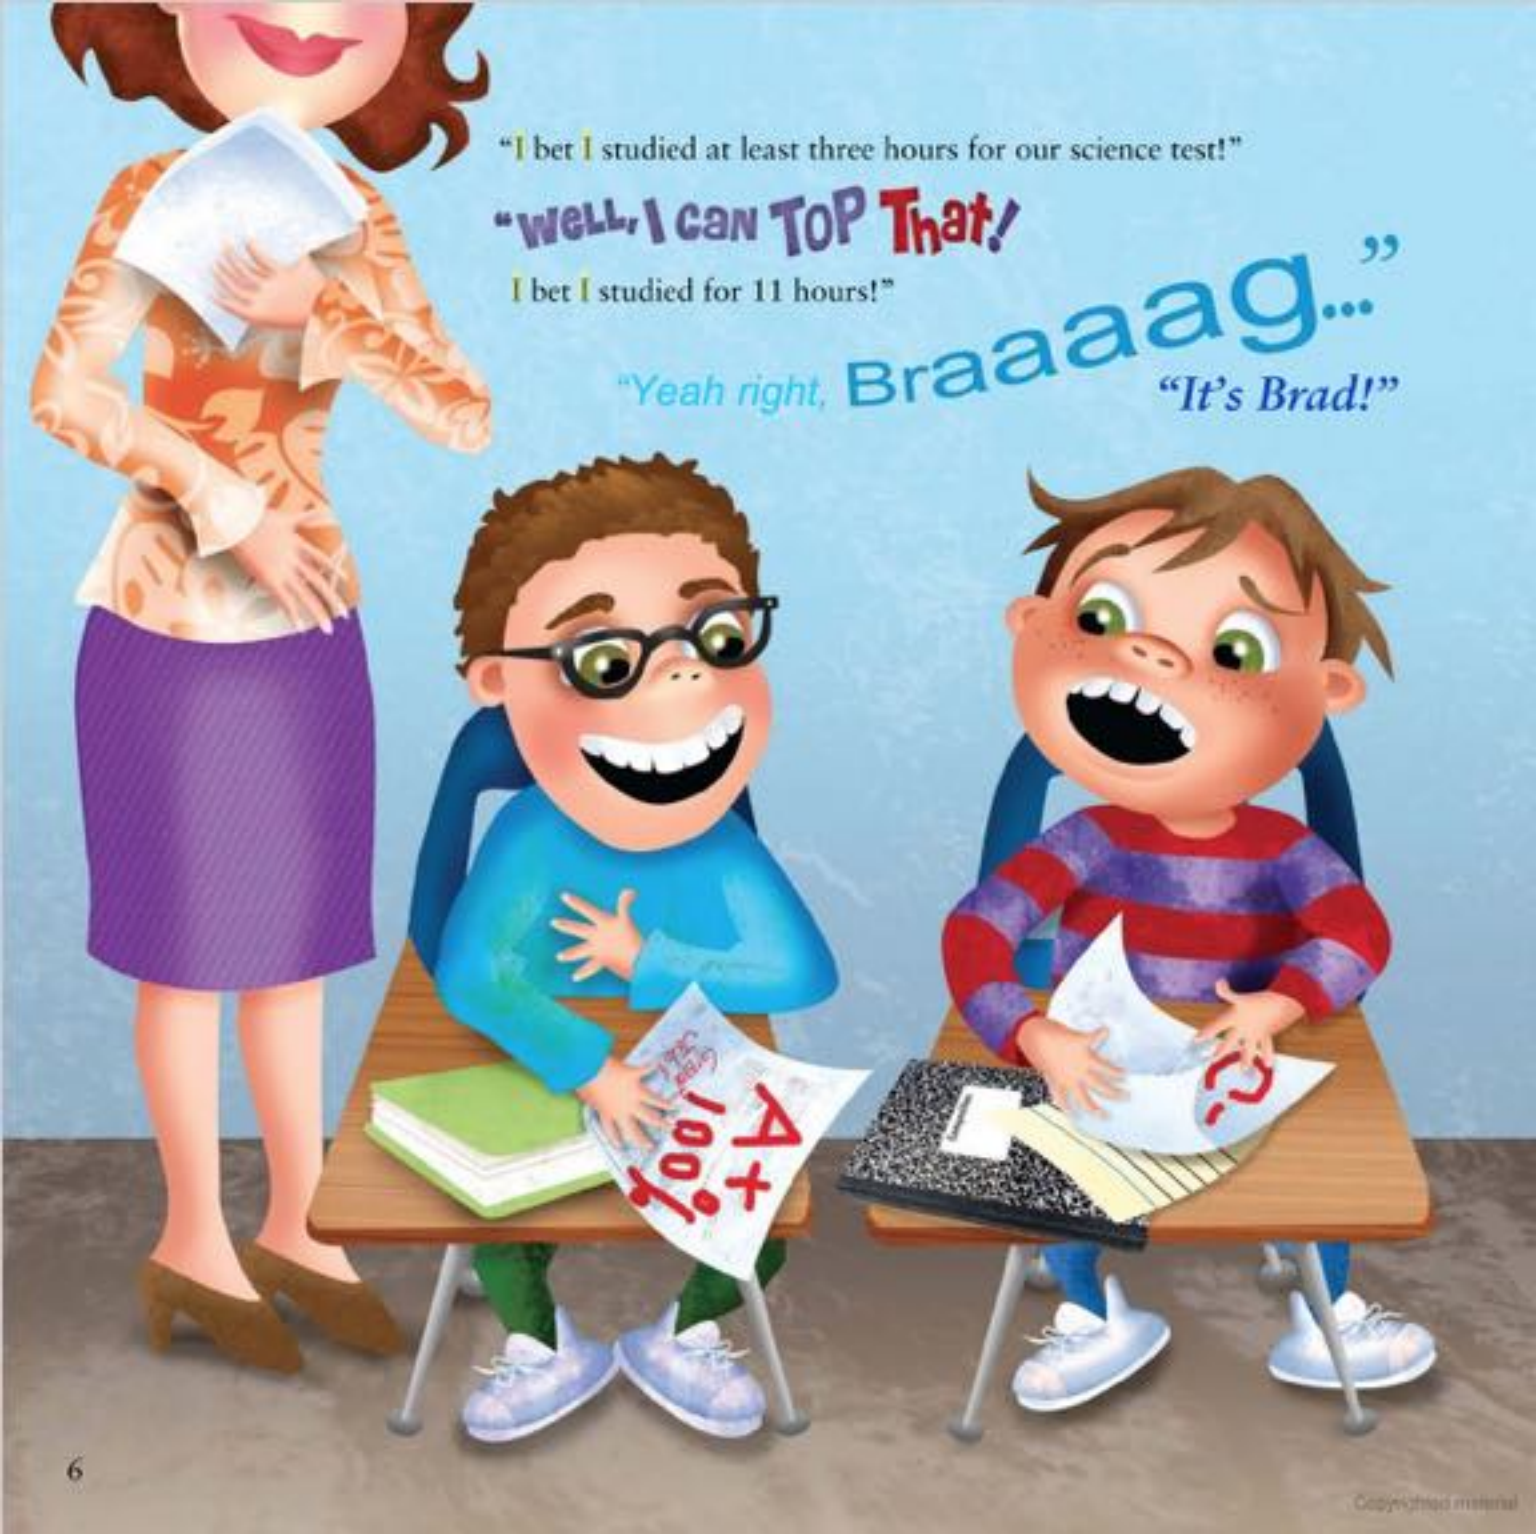

I fell out of a tree once and broke both of my arms and one of my legs in six places!”

“When?”

“Last month before school started.”

“Yeah right, Braaaaag...”
“It’s Brad!”

"I bet I studied at least three hours for our science test!"

"WELL, I CAN TOP THAT!"

"I bet I studied for 11 hours!"

"Yeah right, Braaaaag..."

"It's Brad!"

I ate 14 hot dogs in 11 minutes!"

**"Well, I can
TOP That!"**

Last summer, when I went to the World's Fair in Zimbabwe, I ate 24 hot dogs in under six minutes... and I won a gold medal!"

"Yeah right, Braaaaag..."
"It's Brad!"
