

Articulation Skill Strips – L and L Blends contains 96 double-sided photo cards to help students practice L and L Blends at four levels: words, phrases, sentences, and conversation. Sounds include Initial L, Medial L, Final L, Initial/Medial/Final L Combinations, L Blends (BL, FL, GL, KL, PL, SL, Final L Blends), and L Blend Combinations. (*Please Note:* The L Blend Combinations include some Initial, Medial, and Final L targets.)

Each stimulus set is presented on two double-sided cards. Each pair of cards contains four words, three phrases, two sentences, and one scene. (*Please Note:* The scene relies on visual cues and does not contain any written prompts.) Cards are printed front and back in a way that allows students to view two sets of prompts at a time in order to help them transition from words to phrases, phrases to sentences, and/or sentences to conversation (using

the scene). In addition, the card with the word prompts can be viewed at the same time as the scene card to provide conversational cues.

Prompts for each target sound are listed on the section tabs.
