tissue

pressure

Read the story and answer the questions.

Ethan was watching birds in his backyard. **Although** he didn't expect to see **anything** interesting, **Ethan** did watch a bird pluck an **earthworm** from the ground and eat it. He had never seen **anything** like that, so it was pretty amazing. **Ethan** yelled to get his **mother's** attention. He wanted her to be able to see the **earthworm** sitting in the bird's beak.

1. Who was watching birds?
2. What did he expect to see?
3. What actually happened?
4. Who did he call over to see the bird?
5. Retell the story in your own words.
