Context Clues for Tier II Words—Elementary

Target Words:

dash

racket

When I saw the beekeeper come to check on the bees, I had to hurry and **dash** back inside to get away from him and the bees. I'm afraid of bees! The beekeeper likes to keep things calm and relaxed while he is working. He doesn't want a lot of **racket** taking place. I would probably scream, so it is good that I'm inside.

What does *dash* mean?

- a) to scream loudly
- b) to move quickly
- c) to take your time

What does *racket* mean?

- a) a time to relax
- b) a lot of sweet honey
- c) a lot of loud noise
