

Duck Masters

Hyatt Regency Peabody is a hotel in Orlando, Florida. It has an odd job. It hires duck masters. The hotel has five ducks.

Duck masters walk the ducks. They do this twice a day. They start at 11:00 a.m. They get the ducks. The ducks live at the “Duck Palace.” This is on the roof. Duck masters take the ducks down the elevator. They lead the ducks through the lobby. They walk on a red carpet. They talk to hotel guests. They talk about the ducks’ lives. They show off the ducks. At 5:00 p.m., they walk the ducks again. They bring them back up to the roof.

Marching the ducks is a famous tradition. It began in 1932.
