

Story by Berys Dixon Illustrations by Danielle McDonald

# Quack!

Pip bent down to pick it up.  
The timid little duck shot off  
like a rocket!

**Quack!**

It landed on Dad's lap!

**Quack!**

It flitted onto  
the sundeck.

**Quack!**

It hid in a bucket.

## How to use this book

The Little Learners Love Literacy® stories are written for beginner readers. They enable children to practise their phonic skills through reading. Each stage is carefully sequenced to give children confidence and success.

Encourage children to 'decode' or 'sound out' any unfamiliar words. To do this, children point to each letter or digraph, saying the sounds; for example, *s-t-o-p* or *sh-e-d* then blend the sounds together to say the word.

Stage 6 Little Learner books focus on:

**Consonant digraphs:** two consonants representing one sound such as **ck, sh, ch, th** and **ng**.

**Quack** focuses on **ck**. This story has words with one syllable, such as *quack*, words with two syllables, such as *bucket* and *hammock* and a compound word, *sundeck*. Encourage children to decode unknown words and, when necessary, break them into syllables.

**Heart words:** These are words that children need to 'learn by heart' as they cannot decode them at this stage. As children develop more knowledge of the alphabetic code, these words will become decodable. Only the new heart words are listed.

**Speed sounds:** Children point to each sound and read it. Make sure children use pure sounds, that is without an 'uh'. Refer to the Little Learners Love Literacy® Teacher Resource for further guidance.

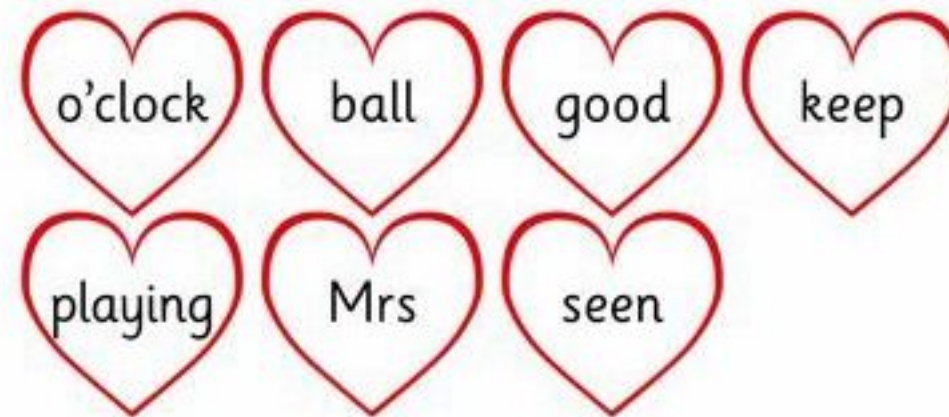

**Questions to talk about:** After children have read the book, it is important to talk about the questions and enjoy the story together. These questions help with comprehension and vocabulary. If they wish, children can refer to the book when answering the questions.

**Speed words:** This word list gives children practice reading words with **ck**. Encourage children to use decoding as their strategy until they can read the word automatically. Repeated reading practice will increase fluency and automaticity. When writing, it is important for children to know that **ck** always follows a short vowel sound.

Children take turns, with one child 'sounding out' a word from the list, while the other child finds the word and reads it.

Photocopy the page twice, cut up the words and play a matching game or create your own.
