At the bottom of each page of text, some multisyllable words are split up for the reader.

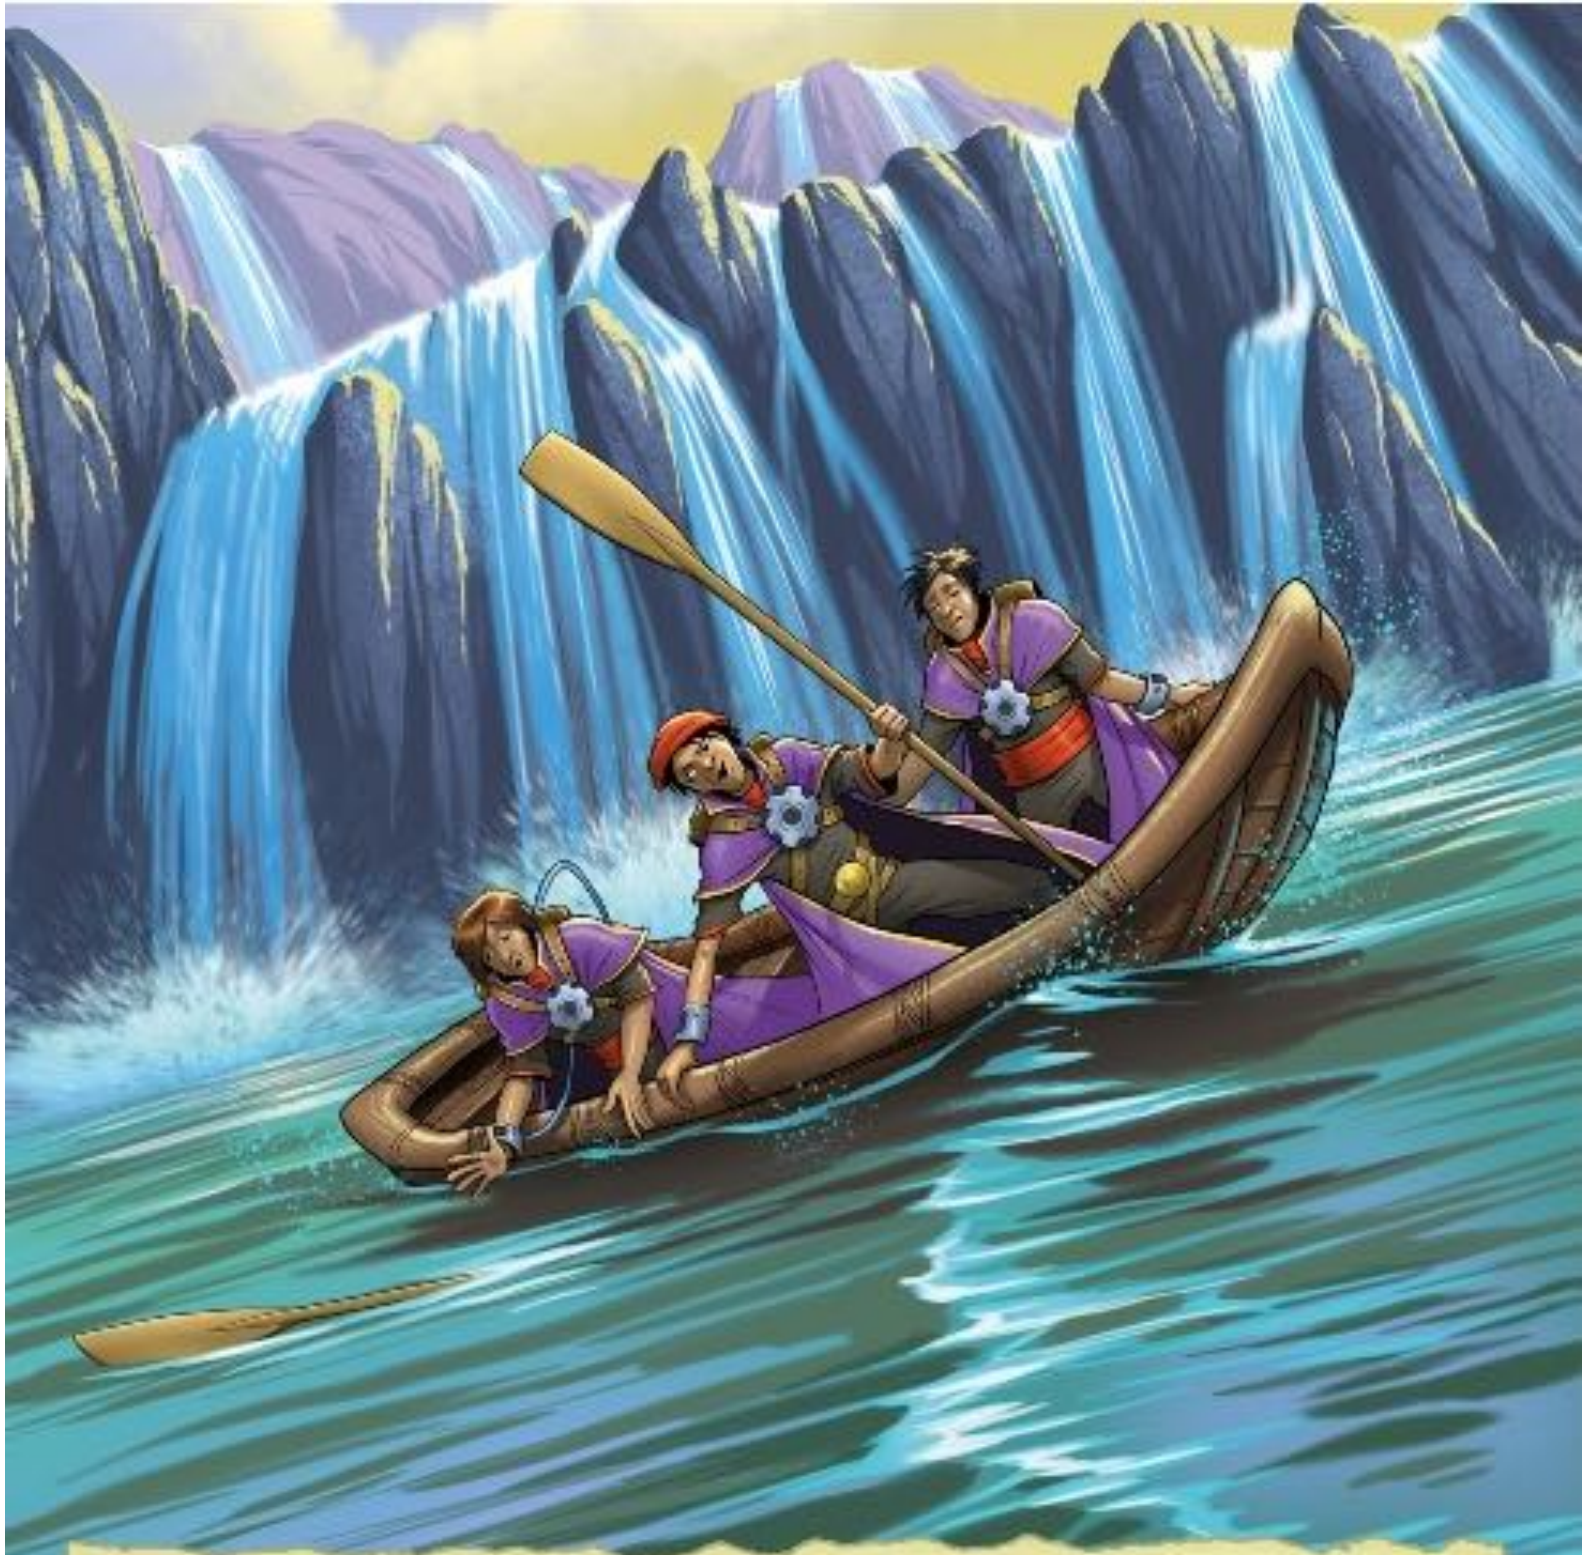

Mina giggled as she grabbed the food bag. "You two are as cheeky as Green!" she scolded them. "Nat and I need to eat that food too!" Then the gem began to glow blue. "Nat, wake up. The next dragon egg is super close," yelled Mina.

*scold ed*

*su per*

They needed to reach the little red dragon. Nat began to creep across the bridge. Suddenly Blue screeched in despair. What had she seen? Mina gasped. It was an airship, filled with bounty hunters. It was heading their way!

Mina needed a plan. The hunters squawked with rage as they tried to reach the orange egg too. The river was calm now, but their raft tipped and dipped in the water. They sprawled awkwardly, almost falling off!

*awk ward ly*

“He’s going to catch him!” screamed Mina. But Green was clever. He ran in circles round the bird. The bird twisted and turned, but the clever little dragon was always just out of reach! The sky worm began to get dizzy. Then he crashed down in the dirt.
