

THERE'S SOMETHING ABOUT MARY

Who is Mary? What are the different stories about Mary?

Many believe Bloody Mary is Mary Worth. Worth lived a long time ago. She was beautiful. She was **vain**. Vain means she admired herself. She looked in the mirror a lot. She had a bad accident. Her face was messed up. She became ugly. No one could look at her. She stayed away from mirrors. Seeing herself would make her crazy. One night, she looked in a mirror. She saw her ugly face. She screamed. She cried. She wanted her old face back. She walked into the mirror. She said she'd hurt anyone who found her.

To summon Mary Worth, people chant, "I believe in Mary Worth."
