RESPONDING

What two ingredients do the girl and her dad mix together? (a banana and some milk)

What does the girl have to do to the banana? (Cut it.)

What do they use to mix the drink? (a blender)

What happens when the girl turns on the blender? (The drink spills out.)

What does the girl forget to put on the blender? (the lid)

What does the girl use to clean up the mess? (a mop)

What does the girl say when her clean-up job is done? ("Did it.")

What do you call the drink they made? (a smoothie)

How does the girl drink the smoothie? (She sips it.) Pretend you are sipping a drink.

How do you know that the smoothie tastes good? (They say "Yum!")

Do you like smoothies? What's your favorite kind? (Answers will vary.)

Note: When answering literal questions, children should show what sentence or picture supports their response.

Little Sprouts
