My name is  
**Archie.**

I am a horse...  
but not just any  
horse. I have a real  
important job. I  
help people get rid  
of their flies. You  
know, the things  
that bug us.

*Then one day while leading me, he took off my rope.  
I continued to follow him...because I had hope.  
The boy was amazed that I'd followed his lead.  
At that very moment, I met one of his needs.*

*When the boy jumped over a human toy,  
I did the same, and his eyes filled with joy!  
He started to see that he had what it took  
to be a leader in life, with a positive look.*

*He also figured out that the way that he acts,  
makes a difference to others, when they look at him back.  
At first when he came here, he was out of control,  
but now he's a leader, and he's starting to grow.*
