There's a story about Isis tricking Ra. Isis was the goddess of magic. She wanted Ra's power. She needed Ra's secret name to get his power. Ra became an old man. He drooled. Spit came out of his mouth. His spit fell to earth. Isis took his spit. She mixed it with dirt. She rolled it. She shaped it. She made a snake. She put the snake in Ra's path. The snake bit Ra. Ra felt death. He asked Isis for help. Isis made a deal.

Ra's Golden Age ended when death was introduced.
