

## Dusk

Dusk is a time at the end of the day. At dusk, the sun begins to go down but it has not set yet.

The sky can be pink and red.  
A lot happens at dusk.

### **Animals at dusk**

At dusk, some animals  
come out to play!

Quolls hunt for insects,  
frogs and eggs.

Wombats hunt for snacks.  
Some wombats dig. Some  
go for a quick swim, too!
